

Pet CPR & First Aid for First Responders

Do YOUR members know how to properly care for an injured pet during an incident?

Don't just "wing it" - learn the life saving skills needed to help four legged patients!!

Thursday, October 28th, 2021 - 7-9:30 PM

Islip Town Fire & EMS Museum and Education Center
4 Courthouse Drive, Central Islip (across from LI Ducks stadium)

In the event of a pet emergency, First Responders often "wing it" using modified techniques and equipment designed for humans. Learn the vital life saving skills needed to provide four legged patients with proper emergency medical care prior to transfer to definitive veterinary care providers.

Taught by a 30 year veteran EMS provider and educator, this 2.5 hour class is geared towards "real world" operations with a focus on hands-on skills practice.

Hands-on Skills Practice

Emergency Muzzling & Restraint ~ Vital Signs Assessment
CPR (Canine & Feline) ~ Choking Management (Conscious & Unconscious)
Hemorrhage Control (Tourniquets, Impalements)

Lecture

Medical Emergencies (Seizures, Poisoning, Environmental)
