

# Pet CPR & First Aid for First Responders

**Do YOUR members know how to properly care for an injured pet during an incident?**

**Don't just "wing it" - learn the life saving skills needed to help four legged patients!!**

**Thursday, October 3rd, 2019 - 19:30-22:00**

**Islip Town Fire & EMS Museum and Education Center**  
4 Courthouse Drive, Central Islip (across from LI Ducks stadium)

*In the event of a pet emergency, First Responders often "wing it" using modified techniques and equipment designed for humans. Learn the vital life saving skills needed to provide four legged patients with proper emergency care prior to transfer to definitive veterinary medical care providers.*

*Taught by a 25+ year veteran ALS provider and educator, this 2.5 hour class is geared towards "real world" operations with a focus on hands-on skills practice.*
